

Wall lamp

## TAWA – 221460142

incl. 1x SMD LED, 7,5W · 1x 800lm, 3000K

- **Wallmounting**
- **IP54**

Create a modern garden ambience! The wall lamp TAWA appears in elegant modernity and is protected against splash water thanks to protection class IP54. The luminaire is therefore suitable for outdoor use - on the house facade, the balcony or on the wall of your terrace. The soft and pleasant light emitted by the outdoor luminaire creates an inviting and atmospheric environment. In trendy anthracite, the luminaire sets a colour contrast on a bright wall, which becomes a decorative eye-catcher. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.

### Material construction

Diecast aluminium ·  
Anthracite

### Product dimensions

Width: 5cm  
Height: 50cm  
Weight: 0,62kg

### Technical data

Light source: SMD – LED (integrated)  
Watt: 7,5W  
Lumen: 1x 800lm  
Kelvin: 3000K  
Color rendering (CRI): > 80 CRI  
Lifetime: 30000H  
Switching cycles: 15000x ON/OFF
