

Floor lamp

HEDDA – 412300136

excl. 1x E27 · max. 40W

- **Footswitch**
- **IP20**
- **Lamp(s) not included**

Pure nature! The decorative floor lamp HEDDA creates exciting contrasts and loosens up bare rooms. The weave of natural sisal gives off a pattern of light and shade to its surroundings, creating a unique ambience and individual charm. The luminaire can be conveniently switched on and off via a foot switch. With the modern combination of brown sisal and metal in matt black, the luminaire fits perfectly into modern furnishing concepts. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.
