

Table lamp

SILVA – R54076101

incl. 1x SMD, 1W · 1x 15lm, 3000K

- **Switch**
- **Rechargeable battery operated**
- **IP44**
- **Solar**
- **Not dimmable**
- **Recharging USB-C connection**

The SILVA solar light brings both a stylish design and functionality. The flexible use of the table lamp at a position of your choice is possible without any cables. Whether placed a garden table or on a chest of drawers in the living room, the lamp emits a pleasant light thanks to the integrated battery, which can be charged using a USB-C connection. In addition, the luminaire can be charged via the solar panel, making the SILVA an energy-saving light source. Thanks to the IP44 protection class, the table lamp is also protected against splashing water and is suitable for outdoor use without any problems. The modern design in white plastic complements your interior or exterior design with a decorative lightness. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.

Material construction

Plastic · White

Product dimensions

Height: 20cm
Diameter: 13cm
Weight: 0,42kg

Technical data

Light source: SMD – LED (integrated)
Watt: 1W
Lumen: 1x 15lm
Kelvin: 3000K
Color rendering (CRI): > 80 CRI
Lifetime: 30000H
Switching cycles: 15000x ON/OFF

operating voltage: 230V ~ 50Hz
Protection grade: 3
IP classification: IP44
