

Ceiling lamp

GIRO – R62793635

incl. 1x SMD, 25W · 1x 3000lm, 2700 – 6000K

- Remote control
- Integrated dimmer
- Light color infinitely variable
- Night light
- Dimmable via switch
- Not suitable for external dimmer
- Wall- & ceiling mounting
- IP20

GIRO convinces with a straightforward design that deliberately dispenses with ornamental elements. The minimalist ceiling light rounds off any modern furnishing style and optimally sets the scene for your living area. The light colour and light intensity can be conveniently and continuously controlled via a remote control. Alternatively, the brightness can also be adjusted in three steps (100%, 50%, and 25%) via the integrated SWITCH dimmer using a conventional light switch. In addition, the luminaire has a practical night light and memory function that restores the last lighting scenario set when the luminaire is switched on. A special and cosy lighting ambience is guaranteed by the GIRO! Thanks to the colour design in matt black and wood optics, the luminaire can be combined with many interior styles. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.

Material construction

MDF · wood imitation

Product dimensions

Width: 57cm
Height: 8cm
Depth: 35cm
Weight: 1,155kg

Technical data

Light source: SMD – LED (integrated)
Watt: 25W
Lumen: 1x 3000lm
Kelvin: 2700 – 6000K
Color rendering (CRI): > 80 CRI
Lifetime: 25000H
Switching cycles: 15000x ON/OFF
